Titel

Crative inspiration

- I want it to be able to become almost a little pintrest board so it should be easy for the user to make a collage or something

What/Who
inspired me
this month?

Relationship Update

- I want it either to be a dating ranking thingy where people can fill stars how good dates where and so on

In love
with the
people in
my life

Wanted poster

Metal Health delete

- Creative thingy → like pinterest board small little pics with one to two sentences
- Relationship updates kinda how many dates date rating dating bullet
- What I am avoiding delete cause in monthly reset
- Little wins → bullet journal with one pic per win
- New hobbies
